Dear:

Congratulations on your admission to Virginia Tech and the Corps of Cadets! It gives me great pleasure to recognize your selection as a recipient of the Emerging Leader Scholarship. The value of the scholarship is \$12,000 (\$3,000 annually for four years) which is applied toward the total cost of attendance at Virginia Tech as a member of the Corps of Cadets (VTCC).

Enclosed is your award certificate for the Emerging Leader Scholarship. We will also be sending your high school a duplicate copy of this certificate for presentation at your school's awards ceremony for public recognition of your accomplishment. To validate your scholarship, you must complete the enclosed form and mail it to the Office of the Commandant.

You can be very proud that you have won this scholarship that is funded by our Corps alumni. Please contact Major Rewa C. Mariger at 1-888-882-6777 with any questions concerning the Corps of Cadets or the Emerging Leader Scholarship. We look forward to seeing you during one of Virginia Tech's New Student Orientation sessions in July.

Best of luck,

JERROLD P ALLEN
MAJ GEN, USAF (Ret)
Commandant of Cadets
