- * On Day 2, it's highly recommended that you attend the 9am Admissions Information session, the 10am campus walking tour, and register for a college (your major) information sessions. The 11:15am Engineering session and Business session require appointments. See the "Campus tours" link on the Admissions home page for more details about setting up an appointment (<http://www.admiss.vt.edu/visit/>).
- * High school seniors: attend an Admissions Information Session (no appointment required - see www.admiss.vt.edu, "Campus tours" link for offered times). If you have additional questions not already answered by our very thorough Recruiting staff during your session, an additional point of contact in the Admissions Office is LTC Gary Jackson (gjackson@vt.edu).
- * If you are interested in an ROTC program, schedule a meeting with the ROTC:
Navy ROTC: LT Browning, (540) 231-8535 or usnavy@vt.edu, www.usnavy.vt.edu;
Air Force ROTC: Capt Pond (540) 231-8026 or usaf@vt.edu, www.af.vt.edu;
Army ROTC: COL St. Jean (540) 231-4804 or rotc@vt.edu, www.armyrotc.vt.edu.
- * In addition to the college information session, call ahead and schedule an appointment with a faculty member in your college or major department. Other than the Corps of Cadets, your major department will be one of the best sources for information on additional scholarships for which you may be eligible.
- * If you are interested in attending a class, please talk to your host cadet. They can take you to one of their classes, or if they have a test or quiz, they can arrange for you to attend a class with another cadet.
- * If you stay a second night, book a hotel well in advance, and be aware that hotels are usually filled around home NCAA games (see www.hokiesports.com for the football schedule).
- * On Day 2, if you have time, try to eat at least one meal at the West End Dining Hall. It has won several awards for its offerings, and as a cadet with the Major Flex meal plan, you will be able to eat 19 of your 21 meals anywhere on campus.
