
This guide will take you through the next steps to become a cadet.

If you checked “Yes” to “Do you wish to enroll in the Corps?” on your application, you will be enrolled in the Corps of Cadets if you accept your offer of admission.

Still not sure? Visit us on campus.

Details, dates, and registration for all events are at vtcc.vt.edu/join/visit-campus.html.

❖ Attend Hokie Focus
This open house for admitted students is April 4 and 5. Hear from your college or department of choice, tour campus, learn about campus resources, and talk with Corps of Cadets representatives. Registration will open during the spring semester at vt.edu/admissions/undergraduate/visit/hokie-focus.html. You’ll need the identification number included with your admission offer letter.

❖ Sign up for a Corps/ROTC Information Session
This hour-long session is offered at 9:45 a.m. Monday through Friday. It includes general information about the Corps, the Citizen-Leader Track, and life as a cadet, and when school is in session, it includes a tour of a Corps residence hall. Create your PID

Create your Virginia Tech PID at onboard.it.vt.edu. Your university email will be YourPID@vt.edu, so choose wisely. (Allow 24 hours before you complete the remainder of this checklist.)

Enroll in the university’s 2-Factor Authentication with Duo. You will be prompted to enroll when you login with your PID and password. Download the Duo Mobile app on your smartphone and enroll the device. Instructions are at 4help.vt.edu.

Access and read your Virginia Tech email every day. Instructions are available through 4help.vt.edu.

Note: Always email university officials from your university account using proper etiquette, including a greeting and your full name in the signature line.

Add your university email to the phone you will bring to orientation. Instructions are at 4help.vt.edu.

FAFSA and scholarships

Be sure to file your Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov. The Virginia Tech School Code is 003754.

The FAFSA 2020-21 deadline to have the maximum scholarship opportunity is Jan. 22. Virginia Tech’s priority deadline to receive financial aid is March 1. You can still apply for financial aid until June 30, 2021.

Stay up to date through the Hokie Financial Focus at finaid.vt.edu/hokie-financial-focus.html.

Emerging Leader Scholarships

The Corps’ Emerging Leader Scholarship (ELS) is a merit-based scholarship awarded exclusively to incoming cadets. There is no application to fill out.

All incoming cadets are considered, and at least 200 receive an ELS each year. To be eligible, you must have your FAFSA filed. The Expected Family Contribution is not used to determine who receives an ELS.

The scholarship is awarded in laddered amounts that increase each year. In-state cadets receive $8,000 over four years, and out-of-state cadets receive $12,000 over four years.

Recipients will be notified by mail by April 15. The ELS will post to your Virginia Tech Financial Aid account by Aug. 15. You must file the FAFSA and maintain good academic and behavioral standing with the Corps and the university for each year’s amount to be applied to your tuition account.

Other merit scholarships

Many merit scholarships have early deadlines. Apply by completing the General Scholarship application through Scholarship Central. To find scholarships for cadets in particular, go to vt.academicworks.com and search “Corps.”
Learn about the FERPA disclosure

The Family Educational Rights and Privacy Act of 1974 guarantee individuals’ rights to the access of their academic records. Read the disclosure at registrar.vt.edu/FERPA.html.

Get familiar with Hokie SPA

2. Log in with your PID and password.
3. From the list, choose “Hokie SPA,” then “Information for New Students.”
While in Hokie SPA, you should:
   - Update and then confirm your emergency contact address
   - Sign up for VT Alerts
   - Read and confirm the Self-Disclosure of Arrest/Conviction
   - Read and confirm the Student Financial Responsibility

Complete your housing and dining contracts

All cadets are required to live on campus and will be assigned to Pearson Hall, New Cadet Hall, and possibly Main Eggleston Hall, depending on the size of the Corps.

To complete your housing and dining contracts once they become available, navigate to the Star Rez Portal.

Contracts should be completed by May 1. The final deadline is June 1.

Find more in-depth instructions at housing.vt.edu/contracts/apply/first_year_students.html.

The Corps will make your room assignment once orientation ends for all cadets. Roommate requests are not accepted for first-year cadets. You will be assigned roommates at random.
New Student Orientation is your best opportunity to prepare for your first year as a Hokie. You will schedule classes with your academic advisor, complete any missing Corps and ROTC paperwork, be fitted for your uniforms, and receive your boots and dress shoes.

しようと students attend one of the two-day sessions offered in July. The sessions available to you will be based on when your department is offering academic advising for your major. You will receive an email from New Student and Family Programs in mid-April with instructions on how to register for your desired session.

We recommend enrolling in an early session so you can get the classes you want. You will need to be at orientation by 7:30 a.m. on Day One and you should plan to depart no earlier than 5 p.m. on Day Two.

Corps events during New Student Orientation will include the following:

Day One: Commandant’s Welcome
Day Two: Uniform fittings, ROTC briefs, and a Highty-Tighty meeting

soever students will select a one-day session on Fridays in July. The dates available will be based on your major. You will sign up on the New Cadet Paperwork Canvas site for an early arrival time (between 6:30 a.m. and 7:15 a.m.) to be fitted for your uniforms. Your Corps events will all happen that day.

soever students: A domestic student arriving from abroad or an international student requiring a visa to attend Virginia Tech does not attend New Student Orientation. Instead, you will attend certain portions of International Student Orientation during New Cadet Week. Contact the Corps’ Recruiting Office for more information.

All first-year cadets should strive to attend New Student Orientation.

If you are unable to attend one of those dates, your academic department will arrange for you to attend a make-up orientation session. However, you will miss valuable training during New Cadet Week if you have to attend the make-up orientation session, and your course choices will be limited. We highly encourage you to attend a New Student Orientation session.

Additionally, all cadets may participate in Summer Academy or the College of Engineering’s STEP Program. These programs are not required but can help you transition from high school to college.

The Corps will discuss with you how you will be fitted for uniforms and complete your final exams when you arrive on campus for the programs.
Required paperwork

Immunization history

Every Virginia Tech student must meet state immunization requirements. Forms and instructions are available online at healthcenter.vt.edu/new_student.html.

New cadet paperwork

All new cadet paperwork is due June 15, including your medical physical. If you will be younger than 18 on Aug. 15, your parent or guardian must sign. A DODMERB Qualification Letter is only acceptable as a replacement for your Corps medical physical if you are already qualified by June 15.

Otherwise, you must complete the Corps medical physical.

Do not email your medical paperwork to anyone. You will upload via the Corps’ medical survey available on the Corps paperwork canvas site.

You must complete all three steps.

Step 1: Corps paperwork

Log into Canvas to download the following forms:

► Form I: Board of Visitors’ Cadet Participation Policy and Information Sharing Waiver
► Form II: Medical Authorization Form
► Form III: Waiver of Liability
► Form IV: Media Release
► Form V: Carilion Liability Waiver
► Form VI: Corps Uniform Policy
► Form VII (Band Interested only): Highty-Tighties Stipend Form

Scan and upload your completed forms as an assignment in Canvas to “VTCC2024/ROTC Paperwork – Fall 2020.”

Step 2: Corps medical paperwork

Log in to the “VTCC2024/ROTC Paperwork - Fall 2020”

Under “Assignments,” read the instructions of how to upload your Corps physical/DODMERB qualification letter. If you are, you will need to save the medical history (first page) and physical (second page) as one file before uploading it.

Make an appointment for a “sports” physical with your doctor.

Fill out the medical history portion, and take all three pages to your appointment. Your doctor will need to sign
both the medical history portion and the medical examination portion of the physical.

Scan or take a picture and combine all three pages as one document. It can be a PDF or JPG.

Log into “VTCC2024/ROTC Paperwork - Fall 2020” again with your PID and password using 2-Factor Authentication.

Click on the “Corps Medical Survey” under “Assignments” and follow the survey to upload your medical paperwork.

Keep your original medical paperwork because you also may have to submit it your desired ROTC program.

Step 3: Complete the New Student Profile Survey

The online New Student Profile Survey is available on the Canvas course page.

Military-Leader and Citizen-Leader tracks

You will choose your track as an assignment in Canvas and enroll during orientation.

❖ Military-Leader Track

Students interested in seeking a military commission through ROTC enroll in the Military-Leader Track. We offer Army, Air Force, and Naval (plus Marine option) ROTC programs. You do not have to have the scholarship to join.

❖ Citizen-Leader Track

Students interested in the Corps’ military lifestyle and leadership training but seeking a career in the public or private sector join the Corps through the Citizen-Leader Track. Your focus will be on developing career skills and business etiquette, interacting with mentors, networking, and developing a healthy lifestyle.

Highy-Tighties

Our regimental band is one of the finest marching bands in the country and performs at national events such as the Macy’s Thanksgiving Day Parade; the Washington, D.C., Cherry Blossom Festival; and the Savannah St. Patrick’s Day Parade.

There is also a jazz band, a pep band, a brass quintet, a string quartet, buglers, and more.

Perspective Highy-Tighties can meet with our band director during orientation. We will have instruments available, but you are welcome to bring your own.

All Highy-Tighties live together as a company in the Corps, and you will earn academic credit for each semester with the band. Our alumni provide a $1,000 stipend to up to 60 first-year cadets.

For details, see vtcc.vt.edu/band.html or contact Senior Chief James Bean at 540-231-3296 or jbean88@vt.edu.

Blacksburg is a great town to visit, but it can be challenging to get last-minute hotel reservations during some events on campus.

- **June 29-July 28: New Student Orientation**
  Students stay on campus. Parents should reserve a hotel room or a room on campus through New Student and Family Programs.

- **Aug. 15: New Cadet Check-in**
  You will choose a half-hour arrival time between 7:30 and 11:30 a.m. Parents may depart at 5:15 p.m.

- **Aug. 15-21: New Cadet Week**
  For the new cadet only, this week is designed to help the first-year class get up to speed before the semester begins. Activities build mental and physical strength. Your general schedule will include a 5:45 a.m. wakeup call, daily briefs, drill and manual of arms practice, work on the obstacle course and rappel tower, and an introduction to university life. Most of the week’s focus is preparation for the New Cadet Parade on Saturday.

- **Aug. 22: New Cadet Parade**
  New cadets will demonstrate what they learned during New Cadet Week through this military parade. Most families will stay in town with their cadet until 6 p.m. Aug. 23. Note: This date is when the rest of the university moves in.

More information is coming soon.

The New Cadet Guide is a reference for incoming cadets and their families. It offers detailed steps to prepare for New Cadet Week and information about your first year at Virginia Tech. It will be available on the Corps’ website in June. Previews and highlights will be available on Facebook even earlier.
